LOVE'S Wedding Chapel

All services are performed by an ordained minister either at my place or yours. The services are very sacred, beautiful and fun.

The fees are as follows:

\$95.00 At our location

\$195.00 At any other location

Only 20 people can be accommodated at our location. No witnesses are required.

If the wedding is held here, you will be provided a candle, a certificate of marriage and a little surprise at the conclusion of the service. The certificate we provide is not a legal copy, just a copy for your picture album, or to give to Mom. You are welcomed to bring a camera or camcorder. There is no fee/charge for any pictures you wish to take. The legal copy will be sent to you from the court house following the service. To apply and retrieve your marriage license, the court house is now located at 735 James Brown Blvd. at the corner of Walton Way. The telephone number is 706-821-2434.

You are certainly welcome to come by and view my facilities at Loves Wedding Chapel, 2477 Wrightsboro Rd. Augusta, Georgia 30904. I am usually here from 10:00-5:00 daily, nights and weekends by appointment only. My office phone is 706 733-8550 or my cell is 706 951-1300. Website is www.lovethoseweddings.com. God loves you and so do I.

For Men and Women of our Armed Forces, I dedicate the ceremony to you as you are our HEROES keeping us safe, protected and free...We appreciate you and thank you for your service.
